

November Auctions Build at Charterhouse

November is a very busy time for Charterhouse Auctioneers where they have a wide selection of lots going under the hammer.

“November can be a smart time for bidders looking to buy the weird, wonderful, cheap or expensive as presents for their loved one or girlfriends, but hopefully not both. With specialist sections of wine, silver, jewellery, watches, antiques and classic cars there is pretty much something for all the family!” commented Richard Bromell. “In addition, we have a selection of mantiques which are items fit for the Man Cave such as vintage enamel signs. It certainly looks to be an exciting month.”

First up for auction on **Sunday 8th November** are 100 classic and vintage cars and motorcycles. Being held in conjunction with **The Bristol Classic Car Show at Shepton Mallet**, this is the largest such auction the West Country has probably ever seen. There are Jaguar, Rolls Royce, Bentley, Porsche, Aston Martin, Lotus, Triumph, MG, Harley Davidson and many other marques. With concours cars through to barn stored restoration projects estimated from £500 to £75,000. Viewing for this huge auction is on **Saturday 7th 9.30-4** and on **Sunday 8th from 9.30** with the **sale starting at 12 noon** or you can wade through the lots on **www.charterhouse-auction.com**

This is then followed by a **two day auction** in their Sherborne Salerooms on **19th & 20 November**. Featuring watches, silver, jewellery, wine, port, spirits, antiques and a selection on mantiques. Here, Dom Perignon, Krug and other champagne will be sold with Chateau Lafite, diamond rings and earrings, silver from the 17th century, Rolex and other watches, along with vintage enamel signs and petrol pumps!

Charterhouse is also accepting entries for their forthcoming auction of silver, jewellery, watches and antiques with a selection of wine, port and spirits in November, and for their coins, medals, stamps and collectors auction in December.
