“From a deceased estate in Wales they have been collected and enjoyed over many years,” commented George Beale.

In the collection there are classic Honda's from the 1960's through to the 1980's with 125cc commuter bikes to 1,000cc street machines. There are many bikes from the ever popular Honda CB range with CB250/350/500/550/750's in the collection, along with two Black Bombers and a sought after Honda CBX with the 6 cylinder engine.
