

## Man-Cave Contents at Charterhouse

The contents of a man-cave are coming up for auction in the Charterhouse auction of automobilia, enamel signs & pub memorabilia in Sherborne on **Wednesday 2<sup>nd</sup> April**.

“The room was pretty full, and as my late mother would have said, would take a lot of dusting!” commented Richard Bromell. “Collected over many years, the owner who lived on the Somerset/Dorset border, sadly passed away and the family called us in to give them help and advice.”

In the collection, there are vintage enamel signs, shop advertising displays, car mascots, automobilia, Guinness, other pub memorabilia along with many other collectibles. Overall the collection is estimated to sell for £5,000-£7,000.
